## Chairman's Message

On behalf of the Board of Directors and members of the Hafa Adai Golf Classic, we welcome all the participants and families to this year's 36th Hafa Adai Golf Classic tournament.

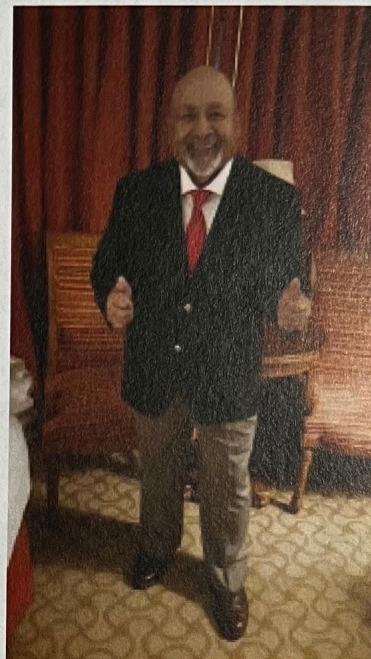

The 2017, 36th Hafa Adai Golf Classic tournament will be held on two of the most challenging and beautiful golf courses located at Fort Ord in central California. I can't say enough to describe these two golf courses, but you'll find out as you play in the tournament.

As always our goal for the last thirty five years is to promote unity and good sportsmanship among all the participants. The tournament is designed to provide opportunity for good fellowship and great hospitality. We hope that we can accomplish this goal again this year.

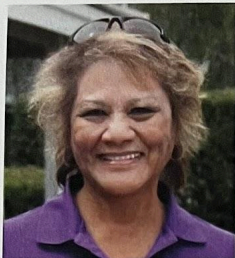

Last, I want to thank the Northern California Golf Club and all its members for hosting this year's golf tournament. With out their hard work and dedication the success of this tournament won't be possible.

Again, welcome and we hope that you'll enjoy your golf game and most of all have a good time. "If you're a participant in this golf tournament, you're a WINNER already!!"

Greetings and Hafa Adai!!

On behalf of the officers and board of directors of the Hafa Adai Golf Classic, congratulations to the hosting club the Chamorro Golf Club of Northern California, their President, Mrs. Janet Chargualaf and their entire tournament committee for an outstanding job in the preparation and success of this event. Welcome to the 36th Annual Hafa Adai Golf Classic.

Before I proceed, I will like to acknowledge the main founder of the Hafa Adai Golf Classic, Mr. Sy Unpingco. Sy started this event in 1981 with couple of our friends like Mr. Marcial Sablan, Mr. Tom Pangelinan, Mr. Tony Chargualaf, with other officers like Mr. Joe Sasamoto, Sr., Mr. Joe Toves and others.

The majority of them are no longer with us but we will always be with them in spirit. Thank you very much to Mr. Sy Unpingco for starting this very prestigious event and obviously it has been successful for 36 years.

The Hafa Adai Golf Classic is rich in history and tradition. We started in San Jose in 1981 and here we are 36 years later at Bayonet and Black Horse GC at Fort Ord in Seaside California.

We came a long ways, when the classic first started, we invited players by telephone, word of mouth or by simply mailing out tournament flyers. In 2004 we started using the website. Thanks to Mr. Benny Anderson the webmaster that originally started the Hafa Adai Golf Classic website and still is up to now. You can tell in advance how many participants are playing, as well as who you are playing with. At the conclusion of the tournament, you can actually see on the website the names of the tournament winners.

The players look forward to the event each year not just for golf, but for the opportunity to revisit with old friends, families and the opportunity to make new acquaintances. Now that we have four flights, A,B,C and D, we are more flexible to allow more participants and that we can play at two different golf courses simultaneously.

The six Chamorro Golf Clubs rotate annually hosting the Hafa Adai Golf Classic. The hosting club and its committee welcome the challenge to host the classic with the utmost enthusiasm. Welcome, have fun and thank you for your continued support.

HAGC - Advisor

Thank You and Si Yuus Maase!!

## *Hafa adai yan Tirow!*

On behalf of the people of the Northern Marianas, we congratulate the Chamorro Golf Club of Northern California on hosting this year's Hafa Adai Golf Tournament.

As Pacific Islanders, we know how important gatherings such as this are, one because of our fondness of sports and recreation, but also because of our love of coming together in harmony no matter what the reason may be.

As each of you gather this weekend in the name of competition and camaraderie, know that you are never too far from our thoughts regardless of how far the distance between us is.

Our thanks to the leadership of the CGCNC for giving golfers from the Marianas or who have love for the Marianas engrained in their hearts. It is activities such as these that you hold throughout the year that make our stateside residents feel a little closer to home, and for that we are proud of you.

To all the participants this weekend, may the rounds you play and the words you share bring each of your competitive and cultural ties together.
