41ST ANNUAL Håfa Adai Golf Classic

Håfa Adai!

On behalf of the Leon Guerrero-Tenorio Administration, we extend our biggest Håfa Adai hello to the organizers and participants of the 41st Annual Håfa Adai Golf Classic. This annual tournament has evolved into a signature event for our CHamorus, far from home but close in our hearts.

This gathering serves as a powerful conduit, bringing together our dispersed families from across the nation, bonded by their shared love for Guam and golf. Golf, known as a thinker's game, fuels the competitive spirit while demanding strategic acumen and precision from its players.

May this year's 41st Annual Håfa Adai Golf Classic be a resounding success, led with camaraderie, friendly competition, and lasting connections that will continue to strengthen the bond among our CHamoru community. Your presence and participation echo far beyond the fairways, resonating as a testament to the enduring spirit of our island paradise.

HOST OF THE 41ST Hafa ADAI GOLF CLASSIC

The CGCNC is an organization of golfers who meet regularly to play golf in the San Francisco Bay Area. The club was founded in the 1980s by Segundo A. Hafa Adai Golfers!

I would like to congratulate you all on participating in the 41st Hafa Adai Golf Classic! I am pleased to know that this event has continuously brought people from across the Pacific Islands and mainland together for decades. An event such as this promotes the cultural value of "Inafa'maolek" which plays a significant role within our community on Guam to restore harmony and promote unity.

For returning golfers, welcome back! For those participating for the first time, I am certain today will provide you with an opportunity to meet many people who share a common goal of friendly competition and comradery. It's not just golf that makes today's event special. The Hafa Adai Golf Classic brings old friends together, creates new meaningful friendships, and promotes good sportsmanship.

It warms my heart to know the Chamorro community on the mainland continues to stay

connected and is spreading the Hafa Adai spirit! Enjoy the tournament today and best of luck

playing on two of California's most challenging courses.

May you all continue to attend the Hafa Adai Golf Classic for years to come, Biba!

Sincerely,

Congressman James

Moylan

GOLF CHILDREN'S BOOK BY JOHNNY EUGENIO

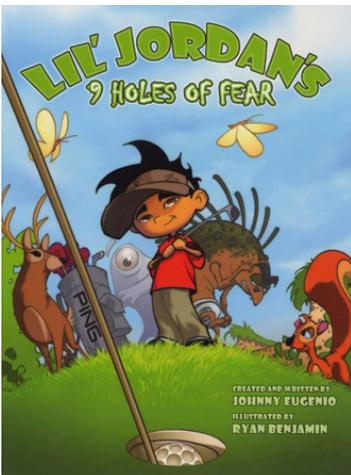

PING

PRESS RELEASE

"Lil' Jordan's 9 Holes of Fear"

March 17, 2010; Phoenix, Arizona: PING is pleased to announce its support of an excellent new children's book, Lil' Jordan's 9 Holes of Fear, which uses an imaginative, engaging and adventurous story to usher children into the wonderful world of golf.

John Solheim, CEO of PING recommends the book, saying, "Junior golfers—prepare to face and conquer the monsters that try to intimidate you from playing the greatest game in the world. Let Jordan inspire you to discover the enjoyment of challenging the tests of golf . . . and life."

The book, available at Borders, Barnes & Noble and Amazon, introduces children to the joys and challenges of golf, helping child golfers envision the challenges of golf as monsters to be defeated. We hope that many children will read the book and discover why we at PING are so passionate about golf.

Lil' Jordan chooses to play PING so that he can play his best. He is not paid to play PING clubs and does not represent PING in any official capacity. PING is not a sponsor or underwriter of the book and receives no royalties or other financial benefit from book sales. PING hopes children everywhere will read Lil' Jordan's 9 Holes of Fear and discover the greatest game in the world.
